Deborah Burgin is coming over today. I am trying to work it so I can come in tomorrow. I am just getting back to work after being out for a month due to surgery. We probably can't work the full day but can come over for as much as possible. We are down to just the two of us with Dana in Africa.

Steve,

are you available to staff the hq EOC related to the Gold King Mine Release in Region 8? We are running operation currently M-F 8:30 to 6.

Thanks,

Brian
